- ❖ Why telling a toddler to share can be a bad idea.
- ❖ The inadvertent ways well-meaning parents “shame” children.
- ❖ Why taking a “7-day” view of your child’s eating is the only approach to healthy eating.
- ❖ Why ‘The Terrible 2’s’ or ‘Even worse 3’s or 4’s’ are a myth and how accepting that as a given is a mistake.
- ❖ How seeing the world through your child’s eyes changes how you parent & makes life more enjoyable for you & your child.
